## Get rewarded with Vitality Active Rewards

Vitality Active Rewards encourages and rewards you for living well. When you achieve your Exercise, Drive or Spend\* goals, you will have the option to choose one of the following:

- Select an instant reward like a coffee.
- Wait to play the gameboard on Rewards Wednesday to earn Discovery Miles – our rewards currency that you can spend on a range of exciting items.

Teens between ages 14 and 18 years now have their own access to the Vitality Active Rewards programme. By exercising and looking after their health, they also earn Discovery Miles to spend at the same range of partners as adults do through Vitality Active Rewards. Certain rewards will require a parent to accompany the teen to redeem the reward. This is partner dependent and partner terms and conditions still apply.

Children between ages 2 and 14 years are now able to access Vitality Active Rewards for Kids. By exercising with fitness partners, doing the relevant health checks and completing weekly challenges, they are able to earn Discovery Miles.

Children are able to spend their Discovery Miles at age appropriate reward partners. Reward redemption will require parental / guardian involvement. Only the main member on a Vitality policy can activate Vitality Active Rewards for Kids from the Vitality Active Rewards dashboard in the Discovery app. Children can access the programme on their parents' / guardian's mobile device and do not need a device of their own. Terms and conditions will apply. Find out more about [Vitality Active Rewards for Kids](#).

Rewards that show '\*' are not available to members active on either Vitality Active Rewards for Kids or Vitality Active Rewards for Teens. Rewards that show '\*\*' are only available to members active on the Vitality Active Rewards for Kids programme. This guide outlines all the reward partners and rewards that can be redeemed through Vitality Active Rewards.

We regularly update our rewards partners and rewards to keep you motivated with new, exciting choices to celebrate your goal achievements. Please check the Discovery website and app to see the latest rewards that are available.
