

QUALITY CARE IN OUR

2025 **MAJOR JOINTS**
NETWORK

FIND A NETWORK FACILITY FOR YOUR HEALTH PLAN OPTION

Hospital Networks

The Major Joints Network consists of teams working at hospitals in a quality of care programme. Members using participating practices and hospitals in the Major Joints Network will enjoy full cover. Planned admissions performed outside the hospital network or by non-participating practices will be covered up to 80% of the Discovery Health Rate (DHR) for the hospital account and is subject to the limit, per prosthesis if a preferred supplier is not used. Unless otherwise indicated the standard hospital network rules and deductibles, where applicable and according to your chosen health plan, will apply (including the Coastal, Delta and Smart plan series).

This network will not apply to emergency and trauma related surgeries as well as bilateral and revision replacements or those related to congenital malformation of the joint, septic joints or cancer. This network is not applicable to the KeyCare, Essential Smart and Essential Dynamic Smart plans, because major joint replacements are excluded on these plans.

D Delta Major Joints Network

Applies to members on the Classic Delta Saver, Essential Delta Saver, Classic Delta Core and Essential Delta Core health plans. You are covered in full for a defined list of procedures in accordance with your health plan benefits at hospitals in the Delta Major Joints Network.
