Important information you need to know

The Out-of-hospital Prescribed Minimum Benefit (OHPMB) and the utilisation of the benefits and programmes associated with this benefit is subject to specific conditions and rules. Members must make sure that they know these rules and conditions.

Any instructions or advice on medicines and the management of the member's condition are intended to add to, and not replace, the knowledge, expertise, skill and judgement of the member's doctor, pharmacist or other healthcare professional.
