Who we are

The Anglovaal Group Medical Scheme (referred to as 'the Scheme'), registration number 1571, is the medical scheme that you are a member of. This is a non-profit organisation, registered with the Council for Medical Schemes. Important information you need to know

We may change the information contained in this document from time to time. We will communicate any changes to the way we pay medicines when we make these changes.

The Out-of-Hospital Prescribed Minimum Benefit (OHPMB) are managed by the Anglovaal Group Medical Scheme rules. The use of the benefits and programmes linked with this benefit are subject to specific conditions and rules. Members must make sure that they know these rules and conditions.

Any instructions or advice on medicines and the management of the member's condition are intended to add to, and not replace, the knowledge, expertise, skill and judgement of the member's doctor, pharmacist or other healthcare professional.

You get full cover for approved medicine on the medicine list (formulary). For medicine not on the medicine list (formulary), we cover you up to a reference price for that medication category. You may have a co-payment for medicine not on the medicine list.

Anglovaal Group Medical Scheme and Discovery Health (Pty) Ltd reserve the right to change the benefit at any time.
