

## Guide to transplant claims submission process

### Who we are

The Anglovaal Group Medical Scheme (referred to as 'the Scheme'), registration number 1571, is the medical scheme that you are a member of. This is a not-for-profit organisation, registered with the Council for Medical Schemes. Discovery Health (Pty) Ltd (referred to as 'the administrator') is a separate company and an authorised financial services provider (registration number 1997/013480/07). We take care of the administration of your membership for the Scheme.

### Contact us

You can call us on **0860 100 693** or visit the website on [www.avgms.co.za](http://www.avgms.co.za) for more information.

### How we pay costs related to a transplant

This document explains how we pay for pre-transplant investigations, the transplant procedure and post-transplant care approved as a Prescribed Minimum Benefit (PMB).

### Understanding how the transplant claims process works

For simplicity, and to streamline the process, we have identified four definite steps that must take place for a transplant, as illustrated below:

The Scheme will only pay for treatment that is included in the benefit definition without using the member's day-to-day benefits. The information below describes each step in the claims process.

The process to have the patient or recipient's accounts paid is different to the process for the donor accounts. We explain these two processes separately.

#### Patient/recipient work-up

The Scheme will pay for the appropriate, approved work-up costs for the recipient and the donor.

#### Getting work-up accounts paid as a Prescribed Minimum Benefit (PMB)

- To ensure claims are funded correctly as PMBs, it is important that all healthcare providers submit claims with the approved ICD-10 codes.
- Claims may be submitted using electronic submission channels. Alternatively, paper claims may be submitted by email to [claims@avgms.co.za](mailto:claims@avgms.co.za).

- Proof of payment must be submitted if these claims have been paid for upfront.

### **If we have paid approved accounts from the day-to-day benefits**

In this case, we will pay the amounts back into the day-to-day benefits retrospectively. If the member paid the accounts upfront, we will pay the money back in to the member's bank account if proof of payment is submitted with the claim. If the service provider has not been paid yet and has a payment arrangement with us, we will pay the provider directly.

## **Donor work-up**

### **Paying the accounts**

- Once a suitable or compatible donor is found, and where appropriate, the transplant coordinator will send us the donor's full name and ID number. We will pay for the tests that are necessary to be done before the surgery to harvest the donor's organ (including X-rays, ECG and blood tests) retrospectively once the transplant surgery has been done.
- The Scheme will only approve and pay for **one** donor work-up.
- The donor does not have to be a member of the Scheme. We pay these accounts as an exception process (outside of the normal claims process).
- In the event that the donor later becomes unsuitable, a letter of motivation is required from the treating doctor for review by a clinical panel. We will notify the member of the outcome of the review.

### **Getting the donor accounts to us so we can pay them correctly**

- Make sure the accounts are clearly marked as *"Donor account approved as ex gratia"*.
- Ensure that the donor's full name and ID number as well as the recipient's Anglovaal Group Medical Scheme membership number reflects on the account.

Please email the accounts to us to [EXGRATIA\\_APPROVED\\_CLAIMS@avgms.co.za](mailto:EXGRATIA_APPROVED_CLAIMS@avgms.co.za) for payment of the accounts.

## **The transplant**

### **The hospitalisation costs for the transplant surgery will be paid from the member's Hospital Benefit.**

We will pay for the transplant procedure in-hospital from the Hospital Benefit. Members can call us on **0860 100 693** for an authorisation number and we will explain the details of payment at the same time.

## **Post-transplant management**

### **Certain treatment needed after the transplant surgery may also qualify for payment as a PMB**

After the transplant surgery, treatment is required as part of ongoing management of the condition. The condition being treated may be a PMB and the treatment may be part of the basket of care for that PMB. This may include tests or investigations, chronic medicine and consultations.

## **Making sure that the post-surgery treatment is covered as a PMB**

### **Chronic medicine**

Funding for chronic medicine is not automatic. The member will need to apply for funding for chronic medicine and we will approve the request subject to certain criteria that need to be met. A Chronic Illness Benefit application form must be completed and sent back to us by email at

[CIB\\_APP\\_FORMS@avgms.co.za](mailto:CIB_APP_FORMS@avgms.co.za)

If the member is already registered on the Chronic Illness Benefit for this condition, we need a copy of the new prescription for the medicine required.

### **Consultations, tests or investigations**

Notify us that the transplant surgery has taken place by emailing [PMB\\_APP\\_FORMS@avgms.co.za](mailto:PMB_APP_FORMS@avgms.co.za). We will then activate the post-transplant benefit.

### **Where to get application forms**

Members can print the forms off our website at [www.avgms.co.za](http://www.avgms.co.za) or call us on **0860 100 693** to send the forms to them.

If we do not approve funding, you may appeal the funding decision by submitting additional clinical information for treatment that falls outside of the benefit definition.

## **Complaints process**

You may lodge a complaint or query with Anglovaal Group Medical Scheme directly on **0860 100 693** or address a complaint in writing directly to the Principal Officer. Should your complaint remain unresolved, you may lodge a formal dispute by following Anglovaal Group Medical Scheme's internal disputes process.

Members, who wish to approach the Council for Medical Schemes for assistance, may do so in writing to: Council for Medical Schemes Complaints Unit, Block A, Eco Glades 2 Office Park, 420 Witch-Hazel Avenue, Eco Park, Centurion, 0157 or email [complaints@medicalschemes.co.za](mailto:complaints@medicalschemes.co.za). Customer Care Centre: **0861 123 267**/website [www.medicalschemes.co.za](http://www.medicalschemes.co.za).
