Important information you need to know

We may change the information contained in this document from time to time. We will communicate any changes to the way we pay medicines when we make these changes.

The Out-of-hospital Prescribed Minimum Benefit (OHPMB) and the utilisation of the benefits and programmes associated with this benefit is subject to specific conditions and rules. Members must make sure that they know these rules and conditions.

Any instructions or advice on medicines and the management of the member's condition are intended to add to, and not replace, the knowledge, expertise, skill and judgement of the member's doctor, pharmacist or other healthcare professional.

You receive full cover for approved medication on our medicine list (formulary). Medication not on our medicine list will be funded up to the Reference Price for that medication category. You might have a co-payment for medication not on our medicine list.

Anglovaal Group Medical Scheme and Discovery Health (Pty) Ltd reserve the right to change the benefit at any time.
